

## GREG MURPHY

**TITLE:** Executive VP, Business Services, Sustainability and General Counsel

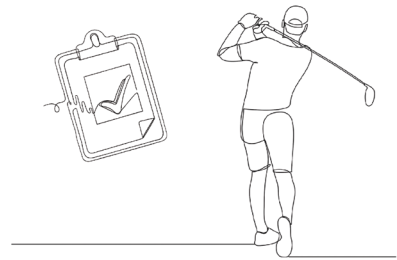

**BUSINESS:** Nucor, Charlotte

**HOMETOWN:** Lockport, New York

**UNDERGRAD:** Canisius University

**LAW SCHOOL:** University of Michigan

**PRACTICED LAW:** 35 years

**FAMILY:** My wonderful spouse of 35 years, Marcy. Two adult children – Sean (30) (married to Anna); and Alexandra (27).

**NEW YEAR'S RESOLUTION:** I try to set short-term goals rather than annual resolutions. I find it easier to stay on track.

**GO-TO STRESS RELIEVER:** Get outside to walk or go to the gym to get some exercise every day. It refreshes me, clears my mind and (hopefully) keeps me healthy. On the weekends, I like to play golf.

**BUCKET LIST:** Attend a Ryder Cup; a Masters; a PGA Championship; a US Open; and an Open Championship all in the same year!

**LEGAL WORK MYTH:** People tend to see legal principles and concepts as straightforward, well defined and clear. They rarely work that way.

**LAST SHOW BINGE-WATCHED:** "Blacklist." I know it's old, but it's new to me!

**COMFORT FOOD:** Pizza

**FAVORITE FICTIONAL LAWYER:** Atticus Finch from "To Kill a Mockingbird."

**FAVORITE N.C. HANGOUT:** Pretty much any hiking in the North Carolina mountains. I love being outside and the solitude of nature.

**BBQ - EAST OR WEST?:** Lexington barbeque!

**LEGAL INSPIRATION:** I rode my bike to a county courthouse one summer day in the mid 1970s and was instantly hooked! I had no lawyers in my family or social contacts.

**BEST PROFESSIONAL ADVICE:** Take the time to fully understand the facts. The facts decide cases; not the law. Advice given to me by U.S. District Court Judge James B. McMillan.

**MOVIE WHERE YOU'RE THE LAWYER:** The trial scene from "My Cousin Vinny." Love that dialogue.

**ALTERNATIVE CAREER:** Setting aside the utter lack of talent part, a PGA Tour golf professional.

**DEFINE SUCCESS:** Developing, inspiring and nurturing the talent and dreams of others. Leaving the world a little better.
