HUTCHENS LAW FIRM

Hometown: Warsaw

Undergrad: East Carolina University

Law school: Campbell School of Law, 2003

Practiced Law: 21 years

Family: Wife, Robin, and our daughters. Jana is a 1-L at Campbell Law; Shayne, a high school senior; Carlie, third grade.

SLOW & STEADY

FIRST JOB: Working at a lumberyard in Rose Hill for three summers, where I learned a lot of important life lessons.

WORKING SMARTER: I was lucky enough to have a “caboose baby” later in life and it made me realize how much time I had missed with my first two daughters through work.

FAVORITE NORTH CAROLINA PLACE: Topsail Island. Duplin County is a close second.

MISSION ACCOMPLISHED: I can’t think of anything that I would say I am ready to check off the list and be done with it.

STILL ON BUCKET LIST: So many things I want to see and do, that I can’t narrow them down to a list.

STRESS RELIEVER: Spending time with my family.

WHY I BECAME A LAWYER: I was fortunate growing up in Warsaw to know some fine lawyers like Gerald Ludlum, Gene Thompson and Reggie Kenan. Watching them inspired me. That and Atticus Finch.

ALTERNATIVE CAREER CHOICE: General contractor

YOUR EDGE: The people I work with. Chief among them are my mentor, Terry Hutchens, and long-time paralegal, Paula Register.

2025 MILESTONES: I will be a co-managing partner of my firm in 2025 and I hope to continue to guide our ship in the right direction.

FAVORITE PASSIONS: Hunting (anything in season) and travel (near and far).

LAW SCHOOL IN 2 OR 3 YEARS: Three years. There is a seasoning/maturing process in law school that shouldn’t be cut short.
